

2025-2026 PUBLIC MEDIA RELEASE for PRICING and NON-PRICING PROGRAMS

The Child and Adult Care Food Program (CACFP) Program is administered by the U.S. Department of Agriculture (USDA) and the Illinois Department on Aging (IDoA).

CACFP plays an important role in making nutritious meals and snacks accessible to Adult Day Service participants and increasing the overall quality of a Community Care Program Adult Day Service program. Adult Day Service organizations who are eligible to participate in CACFP are reimbursed for meals and snacks depending on each participant’s family household income. Adult Day Service organizations receive higher reimbursement rates for participants and families who are at or below 185% of the federal poverty level.

The meal/snack service provided to eligible participants meets the guidelines of the USDA CACFP adult meal pattern. The CACFP Income Eligibility Guidelines are released annually and below the guidelines are effective July 1, 2025 through June 30, 2026.
