# 2024 LTC Protection Against Spousal Impoverishment

Spousal Impoverishment allows the “community spouse” at home to keep certain income and resources and still qualify the affected spouse for Medicaid Coverage of a stay in a nursing home or community care program.

The following are the 2024 allowable income and resource levels:

## $3,853.50 of monthly income

## $129,084.00 in resources

The house **(value of less than $713,000.00),** certain adjoining property, personal items, and one car are excluded assets.
